

WILLIE MILLER

BUSINESSS AND EXECUTIVE MENTOR

"I want to share my experience and learn with others. I want our country to succeed."

Experience & Skills

Willie spent 23 years as an executive in FirstRand, establishing and growing various businesses. He was the CEO of FirstRand Wealth, which included RMB Private Bank, FNB Private Clients, FNB Trust Services, Ashburton, and FNB Trustees

Until recently, he was the CEO of FNB Business, which provides transactional, lending, and investment products to businesses ranging from start-up, to medium and large corporates. He served on the FNB Exco from 2001 to 2014. Prior to FirstRand, he was a Partner in Management Consulting at PWC (previously Coopers & Lybrand). This role focused on business improvement projects, including strategy formulation, operational excellence, and change management across various industries.

Since 2019, Willie has served as a non-executive director for various businesses and partners with executives and business leaders as an advisor and mentor.
